The semester is coming to an end! This weekend we have French Dj Bambounou and Chicago DJs Them Flavors coming through Gardner.

Finishing up our semester, we are trying to update our equipment. We are in need of new monitors, the ones we have right now are very old and damaged so that they don't provide good quality sound and loudness (also they new ones are very light so that student workers won't have to carry very heavy stuff and hurt their backs! Health and safety first!) We are also buying cases for our Pioneer Dj equipment to keep it safe. These Dj Mixers are almost 7k and they should not just hang out in the open, a good metal case will prevent them from getting damaged. We also need a pair of good headphones so that the sound worker can do their job properly and with good quality equipment. Further, we are buying a few 1/4 inch cables for back up in case a band needs them. Lastly, we are getting a tool box, so that we can fix our equipment like Mark and I did last weekend with our amps. All this new equipment amounts to 3k. Music gear is very expensive! If you come to Gardner be mindful of this and be respectful of the gadgets!

ACE

Get your tickets for Last Chance!!! Last chance to dance. Last chance to enjoy the company of [2015]. Be there or make Ryan terribly sad.

Administrative Coordinator

Thanks for a great semester everyone. I hope to see some of you back next semester. Please encourage your constituents to vote in the constitutional amendment election. We are currently only at 10% and need 20% for ratification. Please stick around for food and State of the College after this Joint Board.

Smounker

We hosted a successful Smounker Pub Night on Thursday April 30 8-9pm. We used the full \$100 tab with the contribution from some Younger SAs. We intended to hold a clothing drive, but one is already happening. We may get bins for Smounker residents to place their donations in, and then we'd take the bins to the clothing swap event. We also inquired with the RLC and SAs to see if they would like to participate in a Smounker burning night- of hw/papers and smores and such. In spite of lots of apathetic students,

we've enjoyed serving as Senators and getting the opportunity to meet new people on campus. We'd like to encourage future Smounker residents to consider running to be Senators next semester and we offer our support to anyone interested.

JaMaLand

We will be hosting a Cookout on Cleveland Beach next week during finals. As the forecast calls for Thunderstorms during a majority of next week, we'll be hosting this event on either Tuesday (5/12), Wednesday (5/13) or Thursday (5/14) afternoon! Upon making the final decision on which date the event will transpire, JaMaLanders will receive an email. In tandem with this, we'll poster to supplement our outreach for this event! We'd love to see everyone there as we take a few moments to unwind from Finals Week! Gluten-free and vegetarian and vegan options will be provided.
