Senator Reports

Loosehead

Senator Strain

Loosehead report: We are planning on having a pumpkin hall council event at the beginning of next year, which will include pumpkins provided by Amanda's family and snacks. Kate is working on reviving the student initiative to bring hot water outside of the Grill. As FM stated that it is not feasible to have an additional system in the Grill, I've moved onto finding out if a system can work in Kistle similar Burling's system. We have

discussed a loosehead Facebook page for another way for our constituents to get mini minutes and quick announcements.

Jamaland

Senator Report, JaMaLand: we held our first hall council on Sunday 10/5 from 1-3pm in Bob's. Constituents were excited to use the tab and arrived promptly at 1 with a few wandering through later. Overall about 15 students came out. We talked about recent and upcoming (10/10) events as well as answered general questions about SGA. We received positive feedback about the location but we may try a weekday evening for our next hall council to see if more people will make it.
