(10) Budgets - Services

Services meets after CC. Budget details will be made available after the committee meeting.

(11) Cabinet Report - ACE

ACE has continued to promote safety and wellness at events.

- The pizza program, in which we are sponsoring Pizza Ranch at all Harris parties is ongoing, and has received a lot of positive feedback.
- If you have any suggestions for how to improve that, we’d love to hear it.

The Waltz Chair application is now live! We encourage all of you to apply, and to encourage all of your constituents to do the same.

- We, with our committee, decided to restrict the location for this semester to Harris, for logistic reasons on the back end.
- We have received mixed reviews, but we concluded that it was the best decision given the difficulties faced with venue securement last year.
- The application is due this Friday, Oct 2.

Jurassic World will be shown this Friday at 7:00pm and 9:30pm.
(12) **Cabinet Report - Concerts**
I liked the concert last weekend. I hope you did too. There is a concert and talk with Mykki Blanco (JRC 225 4:30pm). The concert starts at 8:30pm. Booking for next semester is in full swing. Get ready.

(13) **Cabinet Report - Administrative Coordinator**
- Reform Committee met this week – please see the attached report.
- Senators – start planning your first hall councils! See Ham and Summer for money. If you need tips or advice with this, please see me.
- Hmu if you still need a committee assignment or a Senator Project!
- Don’t forget to send in senator reports

(14) **Cabinet Report – Services**
Just wanted to holler about Diwali After School Festival at the Drake Library, we approved a budget for 79 dollars. The event is on Monday October 4th and it is for Grinnell College Kids. Last Friday we had FM Appreciation day also. That’s what’s upppp

(15) **Senator Report – Canada**
This week us (Zach, Joe, and Antonio) Senators for CaNaDa created our office hours and sent out these hours to all of those we are representing. I, Antonio, also answered questions regarding funding criteria set by SGA. The question regarded the refrigerators and why the requested funding amount was less than $700.

(16) **Senator Report – East**
East Campus is straight chillin, as usual. My fellow Senators and I have established office hours and have begun planning our first Hall Council (probably s’mores). Finally, I have received quite a few requests for door stops, but I’m not sure if providing all residents with door stops is practical.
(17) Senator Report – JaMaLand
We’ve established office hours Mondays from 5pm to 7pm. For now, office hours are in Amanda's room (Cleve 2221), although the location may be subject to change. Additionally, we’ve reached out to the SA’s of Jamaland and touched base with them. They’ve encouraged us to come to the Jamaland SA meeting on Tuesday evening to open up a direct dialogue between Campus Council and the rest of South campus. We’ve also established priorities this year to ensure that Jamaland continues to run smoothly in coordination with change in school policies.

(18) Committee Report – Reform
Reform met this evening. We addressed the following:
• Resolution to Establish a Joint Committee on Student Programming and Student Services
• Designating a member of SGA to serve on the Gift Acceptance Committee
• Adopting language to specify the duties of the SGA Technical Advisor
• Constitutional Amendments
  o Changing Senator Representation (East/South/North/Off)
    ▪ Adding a fourth senator to East and OCCO/OCNCO
  o Removing Restrictions on Senator Eligibility (SAs)
  o Control of the Student Activity Fee
  o Changing a typo in the Constitution (“insure” -> “ensure”)
  o Pay JudCo members?

(19) Discussion – What does Self-Governance mean to us?
AVP for Student Affairs Andrea Connor and Dean of the College Michael Latham will lead a discussion.

(20) Approval of SGA President Dan Davis as SGA Representative to the Emergency Management Team
2/3rds approval required
(21) Resolution to Establish a Joint Committee on Student Programming and Student Services
2/3\textsuperscript{rd}s approval required

(22) Adjourning Motion
