(9) **Senator Report - OCCO/OCNCO**
Off-Campus Senators are working with Ella, the ACE Co-Chairs, Block Party hosts, and ACESS to help find more/better solutions to some of the issues raised about Block Party.

(10) **Senator Report - JaMaLand**
Phillip and I have made significant progress with both our senator projects and hall councils.

I (Dylan), have been collaborating with the RLC of Main to fix the elevator of the building. The elevator has become notorious among residents of the building for making terrifying noises as you go down in it, as well as getting stuck sometimes with people inside. I emailed back and forth a couple of times with Brittainy the RLC, and now it is reportedly fixed. I'm also going to keep pursuing projects on Green Fund as part of my senator project.

Phillip has fulfilled his senator project requirement through his service on the Election Board Committee. Sick!

Phillip and I are both planning on blowing our whole budget on a sumptuous Pagliai's Pizza dinner for all of JaMaLand. The dinner is going to happen on Sunday, feature many varieties of Pag's Pizza, and also include two Vegan & Gluten free pizzas from Pizza Ranch to make the dinner as accessible as possible. We've already got some great feedback from residents and we're hoping for a high turnout.

(11) **Cabinet Report - Vice President of Academic Affairs**
In the last couple of weeks I've launched the Grinnell Undergraduate Research Journal. Please submit!! All course work since last spring is eligible for submission. **The deadline to submit is March 18th.** Please email submissions to [vpaa1] and at which point you'll be contacted with additional steps to complete the process! Also, **please encourage your friends, classmates, etc to submit!!**

In addition to the GURJ, I've been working on creating a comprehensive SEPCs handbook. Apparently this hasn't existed since the 90s (If anyone wants to see the old copy let me know-- there's funny things like recommended "cocktail" study breaks with faculty members). We are also working on language to have included in the student handbook about the role of SEPC, their responsibilities, etc.---helping me with this could be a possible **senator project, for all who are interested!**

Lastly, I'll be out of town through the 14th to staff a high school model UN conference. But if you need anything or have any questions, please email me at [vpaa1]
