(1) **Roll Call**

(2) **Public Comment, Announcements, & Additional Events**

Anyone can address Campus Council for one minute about concerns they have about the college, SGA, or anything else they believe should be brought to the attention of SGA.

**Announcements**

- If you are interested in connecting your high school career/college counselor with Grinnell’s office of admissions, send their contact information (name, email, phone number) to Senior Assistant Director of Admission Patty Amador-Lacson [amadorla] for domestic students, to Senior Associate Director of Admission Jon Edwards [edwardsj] for international students, or to President-Elect Summer White [whitesum] to filter accordingly.

- The parking lot at St. John’s Lutheran Church, located at East Street and 8th Avenue, is not a College parking lot and should not be used without permission. Under Iowa code, the property owner is permitted to have these vehicles removed. The College has been notified that continued parking in the St. John’s lot, without consent of the property owner, could result in the towing of vehicles, effective immediately.

- The Emergency Fund provides financial support intended to prevent students from leaving the College for emergency financial reasons. Students may apply for funds when they are experiencing a financial barrier or obstacle, and have exhausted all other resources. The fund is a joint venture led by Student Affairs in close consultation with the Office of Financial Aid. See the Emergency Fund web page for eligibility requirements and application details.

- We are looking for anyone and everyone to submit photos to this year’s yearbook. Submissions can be sent to cyclone@grinnell.edu. Be sure to include captions and name of the person to credit for the photography!

- Office of Admission Needs an International intern. This paid position for the 2017-18 academic year provides support for international student recruitment efforts.

- Watch for a sidewalk closing soon just south of the McGough trailer. Also, there may be a lane closing on 8th Avenue next week related to the geothermal well field.

(9) **Cabinet Report - Vice President of Academic Affairs**

In the last couple of weeks I've been working on:

- The Undergraduate Research Journal: we got over 30 submissions! We're in the process of reviewing and selecting articles, and will soon move into the editing process. I have a great team of 14 editors who are doing an excellent job.
- **if anyone knows how to use in-design and wants to be involved in the layout process, please let me know! *great senator project opportunity**
- Working on acquiring grammarly, in accordance with the student initiative; the licensing fee is pretty expensive, so I’m reaching out to relevant places on campus to see if they might collaborate
- Training Misha, the VPAA-elect, as she is abroad! She’s been able to skype into some meetings which will help with the training process

Thanks!

(12) Cabinet Report - Diversity & Outreach Coordinator
  Hi friends!
The last few weeks have been super busy with a lot of different things. Here’s a shorter list of some of the stuff.

- Keeping the website up-to-date
- Meeting with students and groups about event accessibility
- Meeting with students regarding professor accountability for diversity
- Funding outreach material & events
- Facebook & Twitter outreach for events & opportunities.
- Committee meetings and committee work - ask me about mental health!

The Not-so-Usual:
- Working on training & working with Hannah

- Working with groups on campus to resolve the increased number of bias-motivated incidents in the computer science department against women
- Reached out regarding Pioneer Weekend accessibility & inclusion
- Working on discussions regarding over-planning and event conflicts
- Working with Tammy to continue RayK Office Hours
- Meeting with Joe Rolon regarding CA Hiring policies and concerns
- Work with SGA Tech regarding website updates for student groups and for the SGA event
  - Schedule RayK Office Hours for the rest of the year:
    - Thursday, April 20th from 3-4pm (with @ac and @doc)
    - Wednesday, May 3rd from 2:30-3:30pm (with @vpaa)
- Outreach for Green Fund, Presiding Office, Tech Advisor hiring roles for cab 2017-2018
- Work with Max regarding Grammarly student initiative
- Work with ITS regarding functional printers on campus

Important Updates:
- Printing is rough! There are now forms around campus to report problems with printers that will be collected every weekday at 7 AM. If you experience a printing problem, please document your experience either through a ticket system at help.grinnell.edu, or through these forms by the printers. We want to make sure that printing doesn't feel like some sort of hunger games on campus.
- If you applied to be a Community Advisor and feel that you experienced bias during the hiring process, please feel free to reach out to Joe Rolon in Student Affairs, Toby Baratta in SGA, or Lakesia Johnson regarding this experience! We want to support all students and endeavors on this campus and bias is not okay.
- Life is stressful! SHACS, when you are comfortable, is a resource that you can use. While there are rumors regarding access & community care, please reach out when in need of help or use other confidential resources on campus!
Best,
Toby Baratta
