Divest Budget Appeal

Ross Floyd- There were some logistical mistakes that made it so we were unable to buy tickets at the time we had planned. The tickets have gone up in price now and so we are asking for more money

ACE Chair Jones- Are we going to be able to buy the tickets tonight to prevent any other price fluctuations?
  • Assistant Treasurer Steckel- Yes, we plan to buy them right after Campus Council

Senator Tomasic- Was this a mistake by SGA or the organizers?
  • Ross Floyd- At first it was my mistake, but overall it was just an issue of time
Senator Sachdev- Is the Services Committee comfortable fielding this cost?
  ○ Services Coordinator Kyaruzi- Yes

Approval of Riley Murphy as 2017-'18 Presiding Officer

Statement by President-Elect White
Riley is a second year majoring in Classics with a Linguistics concentration. His four years of experience with competitive debate and familiarity with SGA make him a great fit for the Presiding Officer role. Over the course of his time participating in debate, he served as a two-time award winning Presiding Officer. Riley knows strict Rules of Order and understands SGA’s adaptations through his experience as a Senator. His skills and eagerness to make Campus Council both orderly and welcoming, give me confidence that Riley will seamlessly help us foster productive and respectful Campus Council sessions. With all of this in mind, I urge you to confirm my appointment of Riley Murphy for Presiding Officer for the fall of 2017
