Want to start a student group?!?!??!

1. Each student group must have two student leaders.
2. Log onto OrgSync with your personal account at https://orgsync.com/login/grinnell-college
3. Click on the “Campus Org Registration” tab on the left hand side of your home page
4. Complete all the required information on the form.
5. Once completed, your form will be submitted to the Student Services Coordinator, Yesenia Ayala ‘18, to review.
6. If you requested an email address for your group, Yesi will send you directions to obtain an email address once your student group has been approved.

Why do I need an OrgSync account?!

1. Any student group applying for SGA funding is required to be registered on OrgSync (once your student group is approved, you can request money by downloading budget forms off sga.grinnell.edu)
2. Allows interested students to know who to contact about the student group
3. A uniform platform for the whole campus to see when your group meets, where, and what events your group might host
4. A number of community organizations are also registered on OrgSync- having a student group profile allows students to connect and collaborate with the town of Grinnell

If you have questions about the registration process or would like to learn more about existing student groups, please do not hesitate to contact the Student Services Coordinator, Yesenia Ayala ‘18, at services@grinnell.edu
