(13) Discussion Topic- Campus Council Date and Time

(14) Cabinet Report - President

Here's an overview of the work I've been doing as SGA President since the last Campus Council. If you have any questions, comments, or would like more information on any of this, please feel free to reach out in person or via email at [sgaprez].

Events

- Spring Org Fair tabling- people mainly were excited to get stickers and sticky wallets. If you still want that stuff, we have more in the office (JRC 222).
- Community Hour: "What Comes Next: Understanding the Election of 2016 and What it Means for the Future"

Meetings

- Faculty Mentor Elizabeth Prevost
- 2018 Class Ambassadors
- SGA Exec candidates came to office hours which was great! Keep coming. My job is really enhanced

by students asking questions about what's going on and sharing their opinions with me about anything pertaining to the College and SGA

- Mental health consultants- gave them the tea about mental health culture on campus
- President Kington- his meeting went over and I had class, and we had lots to discuss, so we ended up only talking for like 15 minutes, so we had another meeting (~1 hour) the next day (Saturday) with Angela Voos (Chief of Staff, Vice President for Strategic Planning and Title IX Coordinator) to continue the discussion (mainly about the S&B, reporting harassment, and [dis]trust)
- Student Initiative Fund (StiFund) Committee
- SGA Executive Candidates
- SGA Execs
- SGA Cabinet
- 2021 Class Ambassadors
- VPSA Kahlil Epps, Associate Vice President of Student Affairs Andrea Conner, and Dean of Students Sarah Moschenross
- Associate Vice President of Student Affairs Andrea Conner- community hour planning
- Interviewed by an S&B reporting regarding the most recent Board of Trustee meeting

Not seeing something on this list that you'd like to see? Tell me! Email me at [sgaprez], say something to me when you see me around, or stop by my office hours in the Grill Tuesday-Thursday at 1pm and Thursdays in the Grill from 7:30pm-8:30pm.

(16) Cabinet Report - Administrative Coordinator
Wassup Yall,

I have just been coordinating things administratively. I have been doing alot. I attended the DSA meeting on Friday, Summer and Andrea Conner

weren't there :(She was at the Cabinet Meeting though on Monday of which I was in attendance as well. Not to mention I went to the SPC Committee on Sunday, and was a voting member. Shoutout to Emily for handling 17 budgets. I also presented at the ACE committee earlier on in the day Sunday on behalf of the football team for Frank because members of the team forgot about the meeting. That was cool! I edited the minutes, made this agenda, and attended tech committee. This Saturday I am attending a black tie Gala because I was awarded a scholarship, so I'm pretty excited about that. Also Black Panther is coming out, can't wait to see it, but I'm kind of hating on all the bandwagoners who are hoping on this movie who have never loved comic books, or cartoons in their life. If you don't know Black Panther's first name without having to look it up, wait till next week to go see it. Anyway Happy Valentines day!
