(15) Cabinet Report - Administrative Coordinator

How yall doing tonight,

I have been busy with SGA work. This weekend was my birthday, so I took some time off to celebrate and go see Black Panther and therefore had to catch up on some stuff. Black Panther was good, but Michael B. Jordan's performance blew me. If you want we can have a discussion about that we can.

Anyways, I made the agenda for our bi-weekly meeting with Angela Voos and President Kington, then attended. It was only RayK. Angela caught the flu. I also made the weekly cabinet meeting agenda, and attended that. I had a meeting with the election board in which we discussed the questions for the debate/panel on Thursday at 8pm in BucksBaum 152. Props to Ishaan who is mediating the panel. I had a reform meeting as well. Reform is going to busy this semester. Umm... I made this agenda, and by the time I am at Campus Council I will have attended the Ombuds Advisory Committee meeting. Oh yea, I will be conducting Individual Senator Meetings, this week. Senators if you haven't signed up for one please do ASAP! Will be holding those both this and next week.

If you have any questions, concerns, hopes or dreams. Shoot me an email at [sga1] or drop in my [office hours](#) (My picture kind of busted, don't judge)
