

The purpose of the Academy is to provide information and to gain a better understanding of Law Enforcement. It is our hope that the academy will improve police/community relations through this education process. In turn, our department becomes more aware of the concerns and ideas of the community from the participants' interaction and input.

**Classes meet every
Tuesday 6pm to 8:30pm
for eight weeks**

Join us for a hands-on experience in law enforcement practices such as traffic stops, defensive tactics, shoot don't shoot scenarios, criminal investigations, court room procedures, and much more.

Requirements

Citizen's Police Academy

March 19th- May 7th

Operating while Intoxicated

- Learn about signs of impairment.
- Learn about field sobriety tests and then conduct your own!
- Decide as a group how intoxicated the controlled subject is.

Above is a class participant running a volunteer through the field sobriety tests.

Above is the class discussing the traffic stop a student just finished conducting.

Traffic Stops

- Learn how we make traffic stops safely and efficiently.
- Gain an understanding for why we conduct traffic stops.
- Conduct your own traffic stops in Officer ran scenarios!

Shoot Don't Shoot Scenarios

- Be the Officer as you face a incident, and are called upon to make a decision on how to handle the incident.
- Watch body camera and cell phone videos of real world incidents.

Location

Citizen's Police Academy will be held at the Grinnell Public Safety Building.
