President Becker

Old Business:

- S&B interview regarding last Student Senate
- Spoke to admitted students during their program
- More constitutional work with Quinn
- Do Student Programming and All-Campus Events sound too similar?
- Does Chief of Staff sound better than Administrative Coordinator?
- Should DOC be two positions? Outreach Coordinator and Diversity Coordinator?
- Should we have just 1 funding committee, supported by both ACE and SPC so students don't have to worry about knowing the ins and outs of SGA to submit a budget / don't wind up going to the wrong committee and getting delayed.
- Feel free to email me or come to office hours (MWF 1-2) to talk about this! All about internal consistency, accessibility, and efficiency
- Stifund meeting, got the ballot out
- VOTE plz ty
- Hiring the new DOC
- Met with Angela, always pleasant
- Wrote a document outlining the SGA Cabinet composition for the last 15 or 16 years or so
- Working on drafting more policies: SGA Personal Item Purchasing policy up next.

- What else should be institutionalized?
- Any other processes I should look at getting in writing / develop a guiding document or best practices on?
- Working on cataloging the student initiatives from my time as TA, as well as voting data for future years.

New Business:

- Regular Meetings
- Checkins with all the Class Ambassadors plus QPR training
- Working with Syamala on DOC stuff
- Mostly regular meetings
- Oh but I did do a bunch of institutional memory stuff
- Organized SGA google drive
- Attempting to make a catalogue of resolutions going back to 2003
- Not necessarily ones that passed, but ones that were presented
- Catalogued as many iterations of the constitution as I could find going back to 2003
- Began work on a new SGA H A N D B O O K

VPSA Toumbou

- Oral Report

Concerts Chair Christiansen

- Been gearing up for the rest of the semester - we have a concert every weekend for the next 5 weeks!!
- April 5th (this Friday) we have DJ Cquifruit and La Spacer from Chicago performing and ushering in the start of Pride Week!!! Extremely excited to be bringing these amazing queer activists+artists to Grinnell - there will also be a lunch + roundtable earlier in the day organized by the SRC so that students have a chance to talk to Jacquelyn and Natalie! You can check out their music and other work at <http://laspacer.com/>. Spread the word about this awesome queer gardner rave!
- Brought our 715 speakers to the Music Shop in town because we've been having trouble with distortion and were worried they were blown. Good news is that doesn't seem to be the case (would be an expensive repair), bad news is that this means the distortion is most likely being caused by a lack of adequate power supply on the Gardner stage itself. The committee is currently discussing how we want to deal with this - my prediction is that we will work alongside FM and possibly an expert

sound technician (reaching out to members of the music/theater dept. and/or CatTracks) to help resolve this.

- Green room is mold free and hopefully will be a functional space for storing equipment next fall! (hey its only been a year since I first started begging FM to deal with this!)
- Still working on the Concerts Handbook

Services Chair Tibatemwa

- Oral Report

Adjourning Motion

*Agenda items with asterisks will only be considered if the proposed Amendment clarifying the constitutionality of split-term positions passes by the time agenda item five has been completed.
